
Download Theme Resource Changer 32 Bit !!EXCLUSIVE!!

Theme Resource changer eliminates the need to edit dll or exe files to replace images in explorer.exe, explorerframe.dll and shell32.dll. The utility allows you to easily and quickly replace background images and pictures on the Windows desktop to whatever you want. What's more, the program can detect the theme on the web by itself and offers you to choose from a large list of beautiful icons - such as Windows XP, Microsoft logo, clock, weather, etc. The program is convenient and easy to use, does not require installation and allows you to install one theme to all systems. Utilities can automatically replace Windows desktop icons.
